

Positive Money Mindset

Length: 1hr

Delivery modes: Onsite & Virtual Presentation; Pre-recorded tutorials.

Details: The connotation of great wealth is sometimes seen as negative, with terms such as 'Fat Cats', and statement like "The rich get richer and the poor get poorer" being commonplace.

This workshop explores limiting thoughts that can sometimes hinder wealth creation, and shares actionable techniques on how to overcome these embedded beliefs - improving chances for financial success.

Topics include:

- Common limiting beliefs
- Tools for Building Money Confidence
- Challenge and overcome limiting beliefs
- Wealth affirmations
- Mindfulness tools
- Creating new beliefs and testing them out
